

Household Emergency Kit

Small steps. Practical preparation. Keep this page where you can find it.

START WITH ESSENTIALS

- ☐ Store at least one gallon of water per person per day for several days; add for pets and individual needs.
- ☐ Pack several days of familiar, shelf-stable food and a manual can opener.
- ☐ Arrange prescription supplies with your pharmacist; include medical and accessibility needs.
- ☐ Add a first aid kit and hygiene supplies.

LIGHT, INFORMATION AND COMFORT

- ☐ Pack flashlights, spare batteries, a weather radio and charged phone power banks.
- ☐ Include clothing, sturdy shoes, blankets and rain protection.
- ☐ Protect copies of contacts and essential documents; keep some cash.
- ☐ Add infant and pet supplies; label containers and schedule supply checks.

SAFETY NOTE Never use grills, generators or fuel-burning camp stoves indoors or in a garage.
